First expert conference about contemporary approaches and models of work with children and youth in Bosnia and Herzegovina

Challenges and perspectives in the field of addiction prevention

Conference with international participation

PROGRAM OF THE CONFERENCE

Venue: Hotel *Terme*, Ilidža

Date: 26. 06. and 27. 06. 2019.

The prevention of addiction in Bosnia and Herzegovina is not systemic; therefore the Conference wants to focus on the importance of an inter-sectoral approach, to sensitize the general public to problems of addictive and risk behaviour, and to contribute to the professionalization and multidisciplinary development of the domain of addiction prevention

09:00 – 09:30	Official opening of the conference
	Jasna Džemić, Head of the Department for European Integration and International Cooperation in the Health Sector, Ministry of Civil Affairs of BiH Andrea Mewaldt, member of the Advisory board of the RIPPO initiative, Open Europe Consulting
